## Annual Inspection of Air Cadet Squadron

Sgt. Kieth Lathe of Drayton valley 733 Air Cadet Squadron was named the best all-round Cadet in 1972 at the squadron's annual inspection and banquet June 8 at the Legion Hall.

Best first-year cadet went to L.A.C. Robert Smith, presented by Major McLean of C.F.B. Edmonton.

Inspection of the 733 Squadron began at 6:00 p.m. when the inspection party, R.O. Major McLean, D.C.O. Capt. Tomchick, C.F.B. Edmonton, C.L.O. Capt. Roy, C.F.B. Edmonton, C.O. Capt. Turner, 733 RCAC Squadron, Don Arnett, Alberta Provincial Committee Representative, and Vern Ranks, Civilian Committee Chairman, inspected the orderly room, followed by squadron inspection at the Civic Arena.

Reviewing Officer Major McLean felt that there was no doubt as to the future of the squadron.

"I think the cadets have done well and hope they will support their officers. They have made an excellent start."

He remarked that the boys will only do their best if they think it worthwhile. In this way, he hoped the parents would continue supporting their boys in their projects.

Some 26 cadets were on hand for the parent/cadet banquet which followed the inspection. Head table guests included past president of the sponsoring Royal Canadian Legion, Mr. Bruce Cable, Mayor Lloyd MacLean, Captain Turner, Sgt. D.Ranks, MC, Mr. Vern Ranks, Mr. Don Arnett, District Cadet Officer Capt. Tomchuk, Mrs. D. Ball, president of co-sponsors, Ladies Auxiliary, and KCO officer Sgt. Dodds.

March on of The Colors and grace by L.A.C. J. Tyler got dinner underway, catered to by the Legion Ladies Auxiliary. Toast to the Queen was

## Races Sunday At Triple B

Stock car racing will take place at the Triple B Oval four miles west and one mile north of L.B. Motors on Sunday, June 18th.

Time trials start at 1:00 p.m. and races at 2:00. Everyone is invited to take in the afternoon's exciting race action.

## Awards Presented at Frank Maddock H.S.

Frank Maddock High School students received recognition in athletic and academic fields when teachers presented trophies and certificates at the high school's annual awards day.

The Frank Maddock trophy, presented by principal R. Woods to the grade 12 student with the highest average over three years in high school, went to Manfred Baum and Brett Hammerlindl. The two boys tied for the trophy with averages of 87 per cent.

Brenda Streit was named the outstanding student for 1971-72 for her achievements in both curricular and extra-curricular activities.

The John Braybrook trophy, a new award this year for high school students to strive for, was presented by English instructor Mrs. W. Braybrook on behalf of her son to Donna Hook. The trophy is awarded to the "student who has contributed unselfishly of time and effort for the betterment of the school community."

Joanne Chenery was the recipient of the Yearbook Award, presented by Mr. Pylypec; and Barry Swap was awarded the John Oman trophy for outstanding performance on the

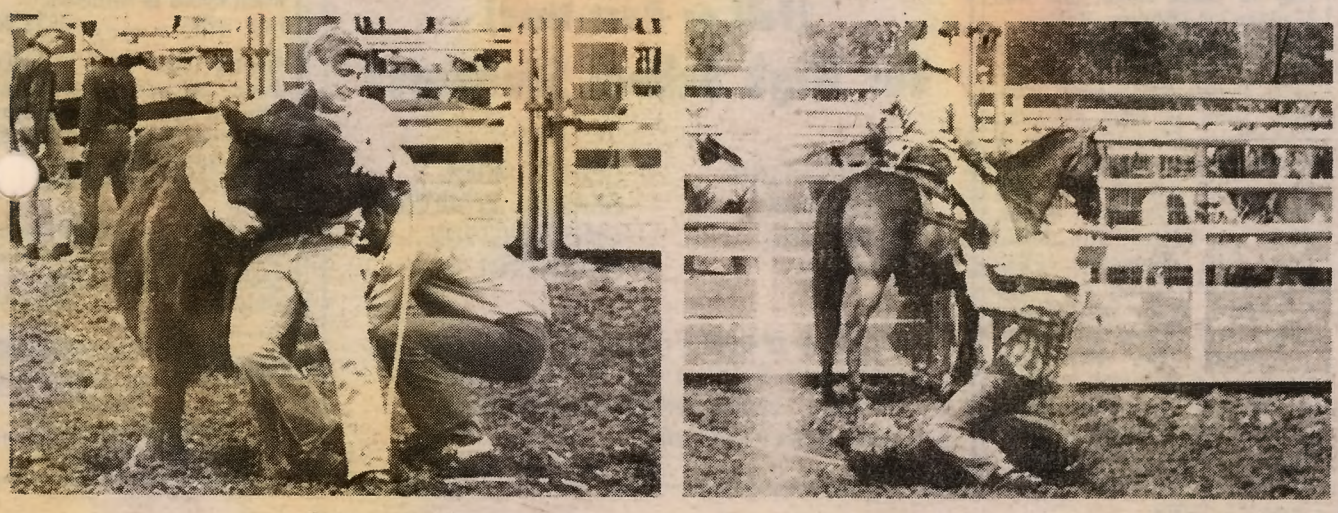
## Team Going To Montana

The Drayton Valley Midget Aces baseball team has announced plans to finance a trip to Shelby, Montana with a car wash on June 16th and 17th.

Fifteen members of the team, coached by Brian Crerar, will travel to Montana for games on June 24th and 25th with the Shelby American Legion Team.

The car wash, to be held at Drayton Shell Service, will be held from 6:00 to 9:30 p.m. on Friday, June 16th and from 8:00 to 6:00 on June 17th.

## DOWNPOURS - EVERGREEN RODEO - SHARE WEEKEND



Some of the action at the big Evergreen Rodeo.

The weather once again took no heed of hopes for sunny skies during the annual Drayton Valley Evergreen Rodeo June 10 and 11.

Heavy overcast, fog, and drizzle greeted the paraders and early morning risers for the pancake breakfast Saturday morning. Sun shone briefly Sunday but was followed by a sudden downpour that closed all activities down for another year.

Lightning on Sunday struck a horse belonging to Dennis Dorchester of Westerose. The thoroughbred, considered to have been Mr. Dorchester's best lead horse, was killed instantly.

Parade Marshal Charlie Davies reported a total of 52 entries had been received for the parade, although only about 30 appeared Saturday morning. Fog detained the parade until 11:00 when floats, three bands, bicycle riders, and horses made their way from the high school to the Civic Centre.

Drayton Valley Hospital Association took first prize in the Organized Clubs division, with the Oilwives getting honorable mention. In the Commercial float entries, House of Flowers took first and Mar Nel's honorable mention. Coin Electric won the Industrial Float section and T&M Electric received honorable men-

tion. Agricultural division award went to Big Country, with D.V. Ford winning honorable mention.

Leona Marfleet won first in the bicycle decoration contest, with Debbie Davies taking second and Cheryl Valter third.

Donations were made by the Town, Retail Merchants Association, and the Lions Club for trophies and band money.

Rodeo events got underway on muddy grounds at West Valley Park 2:00 p.m. Saturday, with evening shows beginning at 6:30 p.m. Midway was open on the grounds both days and featured a dunk tank sponsored by the Neptune Swim Club.

Results of the Saturday evening show: 3/8-Mile Open--River Lass, owned by Don Snell of Alliance and ridden by Bill Spady; Accept A Little owned by Dennis Dorchester of Westerose and ridden by Herby Oliver; Lustrous Fleet, owned by Don MacIntosh of Minnik and ridden by Marvin Stewart.

1/4-Mile Under Stock Saddle--Missy Jinx, owned by Mary Louer of Drayton Valley and ridden by Ed Louer; Baby Duck, owned by Alfred Pambrun of Edson and ridden by Glen Pambrun; Sundown, owned and ridden by Sandy McNamee of Gainford.

1/2-Mile--Secret Invader, owned by Orville Strandquist of Stettler and ridden by Rocky Strandquist; Bella County, owned by Allan McMillan of Stettler; Beelap, owned by Alfred Pambrun of Edson and ridden by Glen Pambrun.

5/8-Pembina Derby--Cactus Joe, owned by Orville Strandquist of Stettler and ridden by Herby Oliver; Captain Prefect, owned by Fred Kluin of Fort Assiniboine and ridden by Eddy Labonte; Grinn Fizz, owned by Len Long of Edson and ridden by Lyle Pambrun.

Pembina Derby Draw winners were Denis Meier of Drayton Valley, Delores McKay of Buck Lake, and Ken Madsen of Drayton Valley.

Chuckwagon races Saturday night resulted in High Standard having the overall winning time of 64.8 seconds. First heat--Grand Hotel, 71.5; Al Schubert, 73.8; Sekura Auctions, 84.9. Second heat, High Standard, 64.8; Lee Price, 68.8; Les Cahaw, 73.6. Third heat, Bill Thompson, 67.6; Ray Wilson, 71.5; and John Crawford, 81.5. Chuckwagon races were rained out Sunday.

Although the Evergreen Derby was not run, winners of the draw were Dora Stewart of Rocky Rapids, Ken Levers of Breton, and Mrs. A. Thompson of Drayton Valley.

# Wildwood News

On May 31, the Senior Citizen Group met at the home of Mr. and Mrs. Mandriak. After a short meeting all enjoyed a few games of Bingo and lunch.

Last Saturday evening Ann and Bennie Horvat had a lawn party celebrating their wedding anniversary. Nina and Gary Schroder and Teresa and Peter Chopko also celebrated their wedding anniversaries there.

Mr. and Mrs. Jens Jorgenson are away on holidays. Mr. and Mrs Jeffrey have gone to Grande Prairie, as Jeff is representing the Wildwood Elks at the provincial Elks Convention.

The ladies of the Royal Purple served the Senior Citizens on Royal Purple Day June 7. Wish more would have been able to get out to the Strawberry Tea--home baking was on sale.

Lyle Goble, who works in the Arctic, drove his mother, Mrs. Bernice Goble of Barrhead, to the Chip Lake distict on his days off June 3 weekend. They were guests of Mr. and Mrs. R. Getson, and visited the Halls, Wapshotts, Ray Andersons and Krawziks.

Mrs. A. Winfield has her mother, Mrs. McEachern of Vermilion, visiting for the month of June.

Mrs. Ruby Scharr is home from hospital. Get well wishes to Mrs. Ida Sauer and Mr. Paliwada.

The Treasury Branch opens June 19 in Wildwood, offering a 5-day week service.

The Ladies' Aid will hold a Bake Sale, Tea and Bazaar June 17 from 2:00-5:00 p.m. in the Wildwood Hall annex.

The Senior Citizen Club is holding a bingo June 28 at 8:00 p.m. in the Wildwood Hall. Come out and support the old-timers.

Mrs. Marie won the mini-jackpot at the regular bingo last Monday. The Bonanza jackpot is now $80 and the big jackpot is $120.

Mr. and Mrs. John (Andy) Anderson are taking over the West End Motels and Grocery Store June 12 and Mrs. Sharowiski is moving into Edmonton.

Mrs. Judy Shenfield, c[illegible] of the Wildwood Wildcats (girls 12 years and under) says the team is top in the league. Sponsored by the O.O.R.P., they have won five, tied one, and lost one. Ramona, Lobstick and Entwistle are the other teams in the league. The 14-16 year old girls, coached by Mrs. Pearl Stone, are sponsored by Ravine. They are in the league with Seba Beach, Tomahawk, MaKay and Entwistle.

The weather was very co-operative for the Wildwood School walkathon Sunday, June 4. Joe Clark, Federal P.C. candidate for Rocky Mountain riding, managed to make three miles of the 20-mile walk, with about 48 marchers completing the entire route.

## Miles For Millions Depository

The Miles for Millions Committee wishes to extend its thanks to Pembina Pipe Line for their help in supplying the trucks and communications during the walk-athon June 3. They also thank the Drayton Valley Community Band for playing for the marchers before the walk got underway.

Another depository for pledges will be set up at the Legion Hall June 30 from 6:00 to 8:30 p.m. There are still several articles of clothing to be picked up. Please phone Mrs. Ball at 542-3271.

## Invitation To Nurses

The Drayton Valley chapter of the A.A.R.N. will hold their annual supper meeting Monday, June 19 at 7:00 p.m. in the Cardium Room. All graduate nurses in the Drayton Valley area are invited, whether they are active or inactive members of the A.A.R.N.

If you have any questions, please phone M. Palmer at 542-3704 or B. Cartwright at 542-3806.

made by Flight Sgt. D. MacMillan, toast to the parents made by Cpl. Ross and replied to by Mr. Jim Erickson.

Mayor McLean expressed the hope that the boys would be satisfied with their lives. He said he could see the personal and the group pride so evident in the cadets, and felt that their individualities showed through.

"There is a certain atmosphere in North America that looks down on uniforms...and won't have any association with the military background," he said. "It's good to see boys involved in this way."

They have a positive approach to life, Mayor McLean continued. They want to participate positively in their individual lives and as a group

He urged the boys to develop their skills and capabilities to the fullest before taking on such responsibilities as work and family life.

"If you continue in the way you acted tonight," he said, "I feel you will develop properly and make better citizens of Canada."

First vice-president of the Air Cadet League of Canada, Don Arnett, was somewhat discouraged with 733 Squadron's activities during the year, but hoped they would do better next year. He pointed out that Camp Wright near Athabasca has been set up for cadet squadron use on weekends, and felt Drayton Valley cadets should try to make use of such facilities.

He informed the cadets that the present blue uniform is going out and the new charcoal green uniforms should have them replaced by 1973. Girls will also be given a chance to join the ranks of the air cadets, he said, and final approval should be given by this fall.

Vern Ranks, as chairman of the Civilian Committee, gave a rundown of the committee's activities during the year.

The move to the new Frank Maddock High School improved facilities, he said, but more storage space is needed. Most of the finances were raised through the bingos held every Monday in the Legion Hall, they sponsored a show at the Cardium Theatre, held raffles, helped the provincial committee in the annual cadet Hawaiian Draw, hired four planes for familiarization, covered cost of the citizenship papers awarded to the 29 cadets last month, and entertained Jasper Place squadron and Breton Army cadets.

In Captain Turner's review of the year, he felt the cadets had had a very successful season, considering the difficulties with staff and the problems of being on probation.

The squadron is participating in the Duke of Edinburgh Awards, which is contested on three levels -- bronze, silver, and gold -- and in three areas -- sports, hobbies, and services.

Capt. Turner expressed hopes of getting Squadron 733's own plane so that they may learn piloting and radio transmitting.

Don Arnett presented Perfect Attendance Awards to Sgt. Ranks, Cpl. Brooks, Sgt. Lathe, L.A.C. Ross, L.A.C. G. Smith, and L.A.C.R.Smith.

Cadets Cowan, Dean, Brent and Brian Erickson, Guyon, Tulks, Hogendoorn, L.Lathe, Meraw, Graham and Robert Smith, D. Smith, Scherge, Thesen, Thompson, Tyler, Van Ember, and Wilson received first proficiency badges from Bruce Cable.

Sgt. Dodds, Air Cadet Office representative, presented second year proficiency badges to Cpl. Brooks, Sgt. Lathe, Sgt. Martin, Cpl. Martin, L.A.C. Carl. L.A.C. Henningsmoen, Cpl. Lockhart, Cpl. Ross, L.A.C. Thyr, and Cpl. Van DeCastle.

Third year proficiency badges, presented by Mrs. Ball, went to Sgt. Ranks, and Flight Sgt. McMillan.

District Cadet Officer Capt. R. Tomchick promoted cadets Cowan, Brent and Brian Erikson, T. Faulks, L.Lathe, G. Smith, D. Smith, R. Smith, M. Thesen, M. Thompson, T. Tyler, D. Van Ember, and D. Wilson from cadet to L.A.C. L.A.C. Lockhart, Reno Martin, Ross and Van DeCastle were promoted to Corporal, while Cpl. K. Lathe and Cpl. Roger Martin were promoted to Sergeant. Sgt. D.McMillan received the honor of being promoted to Flight Sergeant.

## Burtonsville

Mr. and Mrs. Melvin Combs of Victoria, B.C. are visiting Mr. and Mrs. Stanley MacDougall and Ken. On Saturday they all went to the Brazeau Dam for a picnic lunch and the men had no luck fishing. They have also been visiting friends and relatives in the surrounding district. Melvin attended the Shoal Lake school so he was happy to go and see some of the old land marks.

# Tomahawk News

On June 3, Millbank school was the scene of a bridal shower in honor of Miss Linda Brydges. About 20 ladies were present and gifts were opened by Linda with the help of her bridesmaids, sister Cherryl, and the groom's sister, Edith. There was a wide variety of very nice gifts for which Linda thanked all those present. Linda and Ted Redinger will be married on June 17th at the United Church at Drayton Valley at 2:00 o'clock.

On Thursday, June 8, those interested in playing in the Tomahawk Community Band met again with Mr. Pierce at Frank Maddock High School in Drayton Valley. A short meeting was held after the practice. Mr. Overbo presented the board with a cheque of $40.01 raised by a raffle. It was moved that a bank account be opened for the Tomahawk Community Band. Mr. Overbo has another raffle going to raise money for the band. Anyone interested in winning a deep fry or supporting the band can buy tickets from the school children. This was the last practice till September. Mr. Pierce is to try and work Tomahawk into his very busy schedule in the fall.

The Tomahawk Women of Unifarm met in Jane Zander's home on June 8th. Fourteen members and ex-members attended this meeting. They decided to dissolve after 12 successful years of working for the community. They pledged their money and efforts towards kitchen cupboards and facilities for the new hall, which will be at the school. All members and ex-members are asked to hand in their catering jackets. These will be kept in the new kitchen for all to use while working.

The ball games for this week found Tomahawk Misquito team winning the game against Lobstick last Sunday, June 4. The Tomahawk Beavers won both their games this week - Monday they played against Violet Grove which had two extra innings played to break the tie; on Wednesday against Ramona and won with a score 9 to 16.

The Tomahawk Ladies so far have been unbeaten, winning their game last Tuesday against the D.V. Angels.

## Boating Fun and Safety Go Hand In Hand

More Canadians each year choose boating as the ideal way of relaxing with their families and friends. All too often however, what begins as a pleasant outing ends in tragedy because they failed to acquire the knowledge essential for their own safety and that of others.

Boating accidents can be controlled through safety education supported where necessary by law enforcement making pleasure boating what is should be -- a purely pleasant recreation.

Recognizing the need for emphasis on boating safety, the Canada Safety Council sponsors Safe Boating Week across Canada annually from July 1st to 7th.

The observance of Safe Boating Week is a reminder to veteran sailors and novices alike that boating fun and safety go hand in hand.

## Report From Parliament Hill

By Allen Sulatycky, M.P.

Listening to the Grass Grow - I have a question to share with you this week. It is simply, how do you explain this true life situation from my riding?

A few days ago I was talking to a man who had been a great political booster for me since I decided to enter public life. Just so you will have the whole picture he had always tended to be a Liberal politically. He told me that he was certainly going to support and vote for me in any forthcoming election and went on to say a lot of nice things about my work as an M.P. that modesty prevents me from writing and editors would likely not print if I did write them. But he made it emphatically clear ( I can't actually use his words here either because editors would not print them for another obvious reason) that he was no longer a fan of the Queen's First Minister in Canada, Mr. Trudeau.

Being of curious mind I asked him to explain why he had taken a strong personal dislike to the Right Hon. gentleman. Was my constituent unhappy about all the legislation for pure water, clean air, arctic sovereignty, fairer tax laws, improved agriculture, new industries, etc.? No, that wasn't it at all - in fact with the War Measures Act, etc. he thought the Government's activity had been outstanding. So why this " down -with - Trudeau" bit?

My friend put it this way. It seemed to him that Trudeau was "enjoying the job too much". And for that the Prime Minister stood condemned.

This raises the most profound and soul-searching questions that Canadians have ever faced. Should a leader of Government in the tough, turbulent and triumphant times in which we live have a "whipped dog" image? Should we see our leaders suffer to give us satisfaction? Is that what we expect, even demand, of those who must make the great decisions of our day? Should those who lead us and represent us in Parliament be people who have been promoted beyond their level of ability and who exhibit a frazzled demeanor living at their wits end?

Do we live in a society that wants to drain from its leaders ( if it could) the very resourcefulness and creativity that good leadership so desperately needs? And which feels cheated if the leaders don't seem drained?

What is happening in a culture where about 200 major measures in government action are neither condemned nor praised--simply ignored and a Prime Minister is condemned because "he seems to be enjoying the job too much"?

I think we need more ability to " listen to the grass grow" not more "hang-dog faces" in our national leaders. What do you think?

## SUB-MITS

FROM THE ELEMENTARY SCHOOL

Children have many ideas of what they want to be when they grow up. With the help of Mrs. Steeves, Mrs. Phillips and Miss Wood, (Grade 2) the children put their wishes on paper. Here are their wishes and also some of the reasons: astronuat (you make money), Beta-well service man ( my dad works for it), baseball player, battery operator, carpenter, cowboy, clown, engineer, fireman, football player, forest ranger, work at Meraw & McGee just like my mommy, mechanic - so that when my dad's car gets wrecked I can fix it, milkman- to make money, movie star, mother (so I can go shopping), nurse, policeman (because my daddy is one), plumber, scientist (does experements in a weird room), secretary, store lady, teacher (I'll get lots of money, I like to write on the board, it is fun), and waitress.

One little girl said she wanted to marry someone when she grew up. Another said that she wanted two girls and two boys.

## LEGISLATIVE REPORT

By KEVIN PETERSON

Albertans should be excused if they are scratching their heads in wonderment at how they can get involved in commenting on their new government's policy this summe

Immediately after assuming power last September, Premier Peter Lougheed heralded a new way of developing policies for Alberta. The reliance on expensive consultants would be reduced, he said, and elected MLAs, in touch with the public wants and needs, would be the source of ideas.

It has taken no longer than the first summer of the 43-year-old Calgary lawyer's administration to find out what that means.

When MLAs left Edmonton early this month, they left behind them eight major bills which they are to search up public comment on over the summer. Included are the flagship laws of the Conservatives' first legislative package: the two bills protecting human rights and the new Mental Health Act.

In addition, almost every MLA sits on a special committee set up at the session. Two -- censorship and communal properties legislation -- are to report at the fall session starting Oct. 25. The rest have until next winter, but will have to get much of their work done this summer. And the busiest committee -- that one studying foreign investment and Alberta development opportunities -- is expected to bring an interim report in this fall on the effect of federal restrictions, as well as a recommendation concerning restriction of the sale of Crown lands to Canadians.

All MLAs also will carry responsibilities for their own caucus. Every Tory backbencher sits on a task force, while the 24 Socreds will have to go over the legislation passed this spring with a fine tooth comb to make sure it is achieving its purpose.

The premier has said public input is essential to all these activities, yet John Q. Public has little indication how to achieve it.

Some items (like the rights bills) are best handled by a letter to the premier, others (the committees set up by the House) require getting in touch with committee members.

If you are looking for a general rule, the advice seems to be 'make three copies: one for your MLA, one for the premier and one for Opposition leader Harry Strom.'

Mr. Lougheed's summer experiment should produce some interesting results, although the policies the elected members come up with may be open to question -- public input is essential and it is questionable how much there will be.

One thing is certain. Also on the fall agenda is the report of the citizens committee on MLA salaries. After a summer of hard work, there's little doubt members will feel justified in voting themselves at least the normal increase of $1,800 that has come every four years. Since their job has now been redefined, nobody should be surprised if they take an even bigger hike start working full-time.

basketball court.

According to Mr. Woods, awards day is a significant day in the life of every school.

"This day is set aside for those who have achieved excellence in school," he said. "And they reach excellence only because they have the potential as men of God."

He pointed out that man has always striven to reach heights, only to fall again. But history only shows, he said, that man does not lose hope--he can reach heights of greatness.

"You will get closer to your goal, become a better human being," he said, "if you bring others up those heights with you."

With Iain McLean and Lynne Hurley acting as Master and Mistress of Ceremonies, and with Arnold Pierce providing background music, students were called forward to receive their awards.

Subject Area Awards, based on academic standing, leadership characteristics, and coping with responsibilities, were presented by instructors of the various classes.

## Parkland Swim Program

The response to the Learn-To-Swim Program at the Stony Plain Pool has exceeded our expectations and we regret to say that all classes have been filled with the exception of August 7-25, 8:00 to 9:00 sessions.

The Drayton Valley Pool sessions - August 7-25, 8:00 to 9:00 sessions have been cancelled due to the lack of response, however, there are openings in the July sessions.

The Entwistle and Devon Pool sessions also have openings both July and August.

# Library Summer Schedule During July and August

A brown leather book bag was left in the library about a month ago by a boy about nine years old. Check at the desk if your child has mislaid a satchell.

The library has obtained a copy of the T. Eaton Catalogue for 1901. What do you think of these prices? Men's best quality laced dress shoes, $4.50; ladies' kid gloves, fine French kid, $1.25; 16 packets of flower seeds for 25¢; silver tea service complete with tray $34.; sterling silver thimbles 25¢ each; and a solid oak dining room table for $13.75. One library patron remarked that she would like to have today's salary and those prices.

"The Case for Compulsory Birth Control" by Edgar R. Chasten. You may feel the author is an alarmist -- that it could never happen in North America. The truth is that it is happening in parts of North America today.

"The Overman Culture" by Edmund Cooper is probably the creepiest science fiction story you have encountered in a long time. Queen Victoria travels in a hovercar; Sir Winston Churchill offers a man a chance to be an astronaut. History has gone terribly wrong.

Taylor Caldwell's "Captains and the Kings" is a story of the founding of an American dynasty by a poor young boy forced out of Ireland by the potato famine.

"Listen for the Whisperer" is the new novel by Phyllis A. Whitney. A story of romantic suspense.

Who could ever forget "A Night of Watching" by Elliott Arnold? In "Forests of the Night" the author has given us another unforgettable book on the horror of the Jews plight in Germany but this one is based on the Germany of today. "While Still We Live" by Helen MacInnes has long been out of print and has just now become available. For a change of pace read "Is That Your Best Offer?" by Auerbach. A novel about New York's publishing world. Amusing.

"Ten Thousand Dreams Interpreted by Gustavus Miller" is quite entertaining. For example: to dream of a donkey braying in your face means you are about to be publicly insulted by a lewd and unscrupulous person. If you dream that you have become drunk on wine you will be fortunate in trade and love-making. To dream of eating pancakes - you will have excellent success in any enterprise undertaken at this time. You don't believe in the meaning of dreams and neither do I but the book is rather amusing.

"Let 'er Buck", a story of the rodeo should be popular with the boys of junior high age. There are two books on sport -- one on golf and the other on tennis for the beginner. There are also new story and picture books for the young set.

The Municipal Library will be going on summer schedule for the months of July and August, when the hours will be Friday only -- 3 to 5 and 7 to 9 p.m.

## Entwistle News

The Elks Whist Drive held Saturday, June 3 had seven tables in play. The winners were: Ladies high, Mrs. McKenzie, low, Meg Swinnerton, con, Ivy Anderson, travelling prize, Polly Hofmann; Men's high, Norman Hanson, low Mr. McKenzie, con, Jack Swinnerton, travelling prize, George Egle. E.C. LOWE, District Agriculturalist
TOM BROWN, Asst. Dist. Agriculturalist

In Drayton Valley Wednesdays at Sekura Auctions
From 1:00 p.m. to 4:00 p.m.

A new program designed to supplement farm income through recreation is particularly relevant for our area. Its called the Farm Vacation Program. In the summertime the highways are full of campers wishing to park away from the few congested campsites presently provided. In some areas, people are paying farmers for the opportunity to live and work on a farm for the weekend.

At present an inventory of existing based facilities and a list of rural people interested in being developed. If you would like more information contact Janet McCracken or Peter Schmidt from the Extension Division at 229-4282. Mr. Schmidt is working in our District contacting individuals and/or groups at the personal level, advising and assisting in the implementing of a farm vacation business.

The pilot project was sponsored by the Federal Department of Agriculture and is now a permanent area of study with the Provincial Department. Perhaps you have something to offer such as places to locate a trailer, tent or camper, use of vacated farm buildings or full board and room. If so, information is available regarding licensing, liability insurance, organizational approach etc. from the contacts named above.

Another source of income for large volume hay producers may be the B.C. Hay Market.

George Zukrewsky, Aldergrove, B.C. is interested in buying good quality baled alfalfa hay from farmers in the Edmonton district which would be trucked via the Yellowhead Highway and would like contracts with producers who may have a minimum of 100 tons for sale from this year's crop. If you are interested contact Mr. Zukrewsky, he is thinking of taking 10,000 tons of Alberta baled hay this summer plus 15,000 tons of cubes next winter.

Datsun announces the new Sportruck

All you really need is a new Datsun Sportruck. It's still North America's number one imported pickup. Only more so now.
Up front, there's an all-new cab with crisp GT styling. Inside, a cushy, angled seat that's as comfortable as sin. With two inches more stretch space for leggy types. And a sexy instrument panel that looks like it was stolen from our 240-Z. (It was).

Take comfort, too, in a slightly longer wheelbase and new cab mounting for sedan-like smoothness. Plus an improved, high capacity heater and flow-through ventilation.

But behind that pretty face, it's still a Datsun. Same rugged suspension. Same eager, rally-winning engine. Same quick gear-box, same big cargo box. Think of the possibilities. You can haul fence posts to the back forty. Haul your camper to the lake. Haul your lady to the dance. All in the same sweet rig.

Datsun Sportruck. It's all you really need.

# KNOW YOUR SCHOOLS

This "question and answer column" provides an opportunity for citizens to ask questions about education. If you have a question concerning the schools you are ecnouraged to send it to "Know Your Schools?" P.O. box 777, Stony Plain, Alberta.

QUESTION: The School Committee of the County of Parkland recently approved its 1972 budget. What is the total educational budget in the County, and in what areas are the largest expenditures anticipated?

ANSWER: The total school budget for 1972 amounts to $5,455,900.00. Instructional salaries and expenses account for 56.48% or $3,081,450.00 of the total budget. Conveyance and maintenances of students represent 11.59% or $632,500.00. Debt charges on debentures for school buildings amount to 9.83% or $536,500.00. Of this figure, only 2.44% or $13,089.33 is not recoverable from the provincial government. Plant operation and maintenance costs account for 9.73% or $531,000.00 of the budget. Instructional aids represent 4.86% or $265,000.00. Central office administration expenses amount to 2.90% or $158,450.00. Contributions to capital and loan fund represent 3.11% or $169,700.00. All other expenditures involve an amount equal to 1.50% or $81,300.00

QUESTION: What are the sources of anticipated revenues for the County school system during 1972?

ANSWER: The Provincial Foundation Program Fund will contribute 86.83% or $4,737,300.00 of the total budget. The supplementary requisition represents 5.03% or $274,422.00 of the revenues. Sale of assets and transfer from accumulated surplus amount to 4.05% or $221,200 of the total. All other sources of revenue will total 4.09% or $222,978.00. These sources include rental of teacherages, and tuition fees for non-resident students, et cetera.

## Fourteen Entries for Dairy Princess Title

So far, fourteen young Alberta farm women have submitted entries for the 1972 Alberta Dairy Princess competition, to be staged July 20 to 22 at Edmonton's Klondike Days Exposition.

The winner will succeed the 1971-72 Princess, Carol Bancroft of Cochrane, and will hold her title for a year before competing at Toronto's Canadian National Exhibition for the National Princess title.

The Dairy Princess contest, now in its 13th year, is sponsored by the Edmonton Exhibition Association, the Alberta Dairymen's Association and the Alberta Milk Producers' Association. Runoffs will be held on the first two days of the competition with the Princess being selected and crowned the third day.

In the competition, entrants -- single girls between 17 and 25 -- are judged on machine milking skills, knowledge of the dairy industry and public speaking. Thet earn up to 60 points for appearance, deportment, poise and self-expression, and up to 40 for milking efficiency. The competition is supervised by the provincial departments of Agriculture and Youth.

Winner of the Dairy Princess title will receive the Royal Bank prize, a six-piece silver tea service; a set of matched luggage, a nine-week self-improvement course with Peggi Adams Agencies, and a $50 wardrobe voucher. The four finalists in the contests will receive silver rose bowls from the Exhibition Association and $25 wardrobe vouchers, while all provincial finalists will receive $25 voucher. Board and room in Edmonton is provided by the Exhibition Association.

So far, four Alberta Princesses have gone on to win the Canadian title at Toronto.

# Yellowhead Division Budget Approved

The Board of Trustees of the Yellowhead School Division has adopted the 1972 budget in the amount of $4,948,438. This budget represents an increase of 11.4% over the 1971 budget, but a substantial part of this increase is due to the first payment on the Grand Trunk High School Debenture; the whole debenture expenditure, however, is totally offset by provincial grants.

The anticipated increase in enrollment for September, 1972 is 1.3 per cent.

To finance the educational program, a mill rate of 13.54 was struck on equalized assessment, with power and pipeline assessment being considered. This represents an increase of .72 mills over last year's levy. The assessment within the division has grown appreciably during the last year--an increase of $1,268,600 to a total of some $25,421,750.

As a result of the administrative study, the Board has dedicated itself to increased decentralization of functions to schools. This fact is reflected in the budget by the setting up of the Education Development Fund and the inclusion of funds for financing professional improvement of teachers. These funds will facilitate curriculum planning, curriculum change, and innovation at the school level. The continued decentralization of budget funds for instructional and library materials as well as funds for transportation for field trips is also included.

The idea of education for living rather than for making a living is also incorporated into this budget proposal. The money budgetted for outdoor education will make it possible for a large per centage of our elementary students to participate in a structured program of outdoor education which should help to initiate a lifelong interest in the natural environment. Continued support for a band program in six secondary schools is also provided for.

Concern for the individual is reflected by a modest increase in the guidance and counselling staff at the elementary level. Continued support for special education classes is included. As well, a substantial increase is provided for boarding allowances with special educational needs who have to go to educational institutions beyond the division.

The Board's continuing concern for having employees doing the job for which they are qualified and for which the Board will obtain the greatest value is reflected by the employment of para-professional personnel in schools as well as anadministrative assistant in Central Office.

The Board's policy on community use of schools free-of-charge is provided for through the budget for custodian salaries as well as through building repair and maintenance.

# To Attend Summer Camp

The Drayton Valley Rotary Club is sponsoring Patti Hasenclever to attend a School Safety Patrol summer camp at Pine Lake Christian Camp near Red Deer.

Patti will attend the camp from July 31 to August 5. The camp is to provide training and recreation for those boys and girls who will be officers in the School Safety Patrol program during the next school term.

St. Anthony's safety patrols are supervised by Mr. Bob Dickson and the patrols are selected from grade six students.

# United Church Groups Recess for Summer

The three units of the United Church Women came together on Tuesday, June 6, starting the evening with a pot-luck supper. A short business meeting followed with reports from the executive being read. From the financial report, the ladies heard that a child from the community will be sent to Surprise Lake Camp near Edson for a week.

A lady was sponsored to work in a clean-up action in Edmonton. She worked ten hours and the money is to support Pioneer Camp in Sundre.

The $50 for the mission fund was also sent away.

A thank you letter was read from their orphan in Korea, who is nine years old.

All the ladies who worked to clean the church were thanked by the president. The manse clean-up will be the next project before the new minister arrives.

The printing of the recipe book is postponed to fall due to lack of recipes.

It was also mentioned that the church worship service on June 18 will be led by the ladies' group.

The date for the next meeting was set for September 6. A white elephant sale and a pot-luck supper are on the program.

Following the meeting Mrs. Marion Palmer talked to the ladies about mental health. It was very much appreciated.

# Wabamun Fire Cuts Service

An early morning fire Friday destroyed a 2,500 K.V.A. substation that serves Building Products Ltd. at Wabamun and cut service to about 200 Calgary Power customers for 1 hour and 25 minutes.

Fire apparently started at 1:50 a.m. on the pole supporting the substation that serves the wallboard manufacturing plant.

The 23,000-volt line feeding the substation was disconnected at 2:30 a.m. and power rerouted to serve customers by 3:55 a.m. Those customers affected included the town of Wabamun, the Lakeview subdivision, Kapasiwin Beach and part of Darwell R.E.A.

Estimated cost of damage is about $500. Construction crews worked about seven hours replacing service substation to restore power facilities to Building Products Ltd.

Cause of fire is as yet unknown.

# Horticultural Branch Offers New Lawn Tips

Although from late May to early June is the ideal time for seeding a lawn in Alberta, it is better to sow it in late August when there is not time to properly prepare the seedbed or if the area is very weedy.

The best way to get control of the weeds is to keep the area well cultivated during the summer. However, there are herbicides on the market which will kill the broad-leafed weeds. In the case of quackgrass, continually digging it out is recommended for small patches. If the whole area is infested, it may be necessary to use a soil sterilant. There are a number on the market which sterilize the soil for about three months.

A good seedbed that has been well packed and levelled is the most important preliminary step in making a good lawn. If it is too shallow or the soil too heavy, it will be very difficult to establish a deep-rooted turf that will withstand hard wear and dry conditions.

According to the head of the Alberta department of agriculture's horticultural branch, P.D. McCalla, a good seedbed must be at least six inches deep and the soil must be of good quality and free of lumps. Since the soil in many regions of this province is inclined to swell when wet and to bake when dry, anyone starting a new lawn would be wise to mix it with organic matter. Native peat is excellent for this purpose, but to be of any value, it must be thoroughly mixed with the soil. The addition of 10 to 15 per cent peat moss to the seedbed is about right. If more is added, the turf is likely to become spongy.

Because Western Canadian soils are often deficient in soil phosphates, a nitrogen fertilizer containing a high percentage of phosphorous should be applied just prior to seeding the lawn. The best way to get even coverage is to divide the seed mixture into two equal parts and broadcast one part in a north-south direction and the other from an east-west direction. A light raking in one direction only is all that is needed to cover the seed. Although it is not essential to roll the area after it has been seeded, the use of a light roller often gives more rapid and uniform germination. Laying burlap or chopped straw over the area also ensures better germination. The burlap must be taken off before the seedlings are far advanced or it will uproot them when it is removed.

Finally, a newly seeded lawn must be watered carefully and evenly until the moisture has penetrated to a depth of at least two inches. It should be kept moist until the seed has germinated and then watered at regular intervals.

Donna Hook is awarded the John Braybrook Trophy as the student who contributed most unselfishly of time for the betterment of the school community. She receives the new trophy from Mrs. Braybrook.

## Former Resident Passes in East

On May 27, 1972, Doris Isabel Kerr passed away at the age of 43 years at the Kirkland Lake and District Hospital in Kirkland Lake, Ontario.

She leaves to mourn her loss, two sons, Fred of Drayton Valley, Callin of Kirkland Lake; two daughters, Mrs. Brenda Freier and Jill of Drayton Valley; and her brother, Lawrence Callin of Kirkland Lake.

Mrs. Kerr was born in Ontario, but resided in Northern Alberta and Drayton Valley for the past 20 years, before returning to Kirkland Lake a year ago.

The funeral was held May 29 at the Symington Funeral Home in Kirkland Lake, with the Reverend W. Cook officiating. Interment took place in the Kirkwood Lake Cemetery. In lieu of other tributes, memorium contributions to The Canadian Cancer Society will be gratefully acknowledged.

## The Homemaker

Mrs. G. McDavid
District Home Economist
WRITE:
Box 510
Stony Plain

At one time, man ate to live. To-day, he lives to eat, and oh! How discriminatory he is in what he eats, how he eats, and when he eats. For, you see, food is not necessarily recognized as the fundamental source of nutrients. It is history.

Wars have been fought for food; people have been known to steal, rob, and kill for it; explorers have searched the world for new foods; sciences have been built on it; medals, prizes, and monetary rewards are given for food-related discoveries; and fortunes have been made and lost in foodstuffs. No wonder, that today, so many emotions are attached to food.

One may eat or overeat, as a relief from tension, loneliness, boredom, anger and/or frustration. Specific foods may recall unhappy childhood experiences; or be thought of as masculine foods (e.g. meat) or feminine foods (e.g. salads) or children's foods (e.g. milk)

Some see food as a source of "something for nothing" as they collect trading stamps, or find some "gift" in a food package, or collect enough box tops , or wrappers to send away for some special item.

Food, for others, is power - a form of reward or punishment. In prison, an inmate may be put on bread and water. A child may be sent to bed without his supper or dessert, or some well-liked food refused to him because of some behaviour problem. On the other hand, mother may bake a special treat as a reward.

Steaks are among the more expensive items of food, and so they give status to the person who serves them. White flour when first produced, was expensive, but one could bake cakes and fine food with it, so it became a prestigious food item, and in lesser degree, we serve certain foods for family meals, even for different days of the week, and different foods when we have guests.

The cup of coffee is a symbol of friendship; the box of candy affection. We welcome a new neighbor to the group by taking her some food we baked ourselves. In time of disaster or sorrow, we take food to neighbors.

Food is the sum of an individual's culture and traditions, an emotional outlet, gratification, of pleasure, and relief from stress, a means of communication, security, status, personal experience -- all of these interwoven in the fabric of life, and unconsciously expressed in food likes and dislikes.

Why do you eat? Will someone someday say of you as Shakespeare did: "Upon what meat doth this our Caesar feed that he is grown so great"?

## Park Court News

The annual Farmers' Day picnic was held on the hall grounds on Friday.

A horseshoe tournament, ball games and races took place outside while inside the bazzar and bingo were in progress.

Winner of the Take a Chance board on a men's sweater, knit by Margaret Young, was Mr. Stanley Greenwood. At noon a chicken and ham dinner was served and many people also bought chicken for their suppers.

In the evening the Starlighter Orchestra of Sangudo and Cherhill supplied the music for the crowd's enjoyment.

During the dance a handmade Poncho was raffled and won by Mrs. Walter Myschuk of Wildwood. The proceeds of this raffle went toward the Historical Museum in Evansburg.

Anyone interested in renting the Park Court hall may do so by contacting Andy Paulduro or Fred Fausak.

A stag party was held in the hall on Saturday night for Jerry Weigle who will be married soon. He was presented with a gift from all those present.

## Gainford News

# Evansburg High Holds Awards Night

In honoring those students making achievements in non-academic activities, Evansburg Junior-Senior High School has begun an annual awards night, the first of which took place June 7 at the Evansburg Jr.-Sr. High School.

With assistant principal T. Stephenson acting as Master of Ceremonies, awards were presented to those chosen by the awards committee -- Annette Coulombe, Angela Barkaskas, Jack Knudslein, T. Stephenson, Mrs. R. Weist, and Mr. D. Allen.

Junior high student who contributed the most to the school for the year was Joan Demkiw receiving her award from Annette Coulombe on behalf of the students' council.

Senior high student who contributed the most was named as Annette Coulombe, with Mr. Stephenson presenting the students'council award.

Kitty Szutiak and Kathy Kalinowski were named Female Athletes of the Year. Both tied for the Kinsmen Award presented by George Beach.

Gerry Relling received the Male Athlete of the Year trophy donated by the Evansburg High School Teachers and presented by Mr. Allen.

Principal John Keast felt that those students who received awards (about 50 per cent of student enrolment), showed that 'participation' is what counts in life.

"In school, there is a real participation between teachers and students," he said. "The teacher is not just the boss, but someone who can help to bring out the best in students."

"As of June 30, 1972, Evansburg High School ceases to exist as such," he said, "and becomes Grand Trunk High School. We are moving into a new era, but, as Evansburg High School I think we saw real partnership and real effort."

Kitty Szutiak (l) and Kathy Kalinowski(c) tied as Female Athletes of the Year. They receive the Kinsmen Award from George Beach.

Joan Demkiw (l) receives the award for junior high student contributing the most to the school during the year from Annette Coulombe.

Mr. Stephenson presents Annette Coulombe with the award for senior high student who contributes the most.

Gerry Relling was named Male Athlete of the Year, and receives the Evansburg High School Teachers Trophy.

Those receiving Award of Honor certificates were: Vicki Demkiu, Karen Tufty, Norma Rosadiuk, Carol Saxer, Lynn Frolick, Lloy Burke, Darlene Woloszyn and Leanne Smith as yearbook staff; Lloy Burke, Mary Jane Smith, Leanne Smith and Caroline Keast as debating team; President Annette Coulombe, Vice-President Dawn Brown, Secretary Lloy Burke, Treasurer Beth Galpin, Boy's Sports Rep. Peter Barabash, Girl's Sports Rep. Angela Barkaskas, Girl's Social Convenor Christine Ditner, Boy's Social Convenor Ron Adashynski, Caroline Keast, Dennis Semenyna, Joan Demkiw, Jack Knudslien, Marie Sosniuk, Barbara Gramatovich, Connie Leckie, Debbie Chachotko and Don Reid as Students' Council.

Cheerleaders Mary Tkachyk, Tina Szutiak, Beth Galpin, Linda Rush, Joyce Greenwood, and Debbie Chechotko; boys' and girls' junior volleybal teams coached by Mr. Lloyd Keddie; girls' senior volleyball coached by Mr. Stephenson; boys' senior volleyball coached by Mr. Allen and league, division and conferfinishing the season as league, division and conference champions.

Junior girls' basketball team coached by Dennis Belyk; senior girls' basketball team coached by Mrs. Allen and Mrs. Allison; senior boys' basketball coached by Mr. Allen and ending the season as league and division champs; badminton players coached by Mr. Allison, with Kitty Szutiak as division champion in girls' singles; track and field competitors coached by Dennis Main. with Kathy Kalinowski breaking a record in junior girls' discus, and Barbara Adamache, Lois Finner, and Kathy Kalinowski making it to the Provincials.

The highest number of points accumulated by a female student during the year in house league went to Kathy Kalinowski, with trophy donated by students' council. Highest number of points accumulated by a male went to Ken Herzog.

Students' Council trophies were awarded to a male and female from each of the three houses in the league who accumulated the most points: Bev Cameron and Dennis Semenyna for Hurricanes; Bill Semenyna and Kitty Szutiak for Tornadoes; and Carolyn Stewart and Gerry Relling for Typhoons. Tornadoes were named the House of the Year.

As a parting gesture and in appreciation of his contributions to the teaching staff during his five years at Evansburg, Mr. Dick Simons was presented a trophy and given a standing ovation by the teachers and students. Retiring the end of this month and returning to Whitefish, Montana, the former athlete told the students, in their athletic endeavors, to be "above all else a gentleman and be tolerant of other people's weaknesses."

YELLOWHEAD SCHOOL DIVISION

## PRE-SCHOOL CLINICS

All schools in the Yellowhead School Division offering Grade 1 will pre-register possible school beginners during June. The dates set for this year's pre-registration are:

| | |
|---|---|
| Wildwood | May 31, June 1 & 2, 1972 |
| Evergreen (Edson), Mountain View (Hinton) | June 6, 7 & 8, 1972 |
| Marlboro | June 7 & 8, 1972 |
| Niton Central | June 14, 15 & 16, 1972 |
| Evansview (Evansburg) | June 19, 20 & 21, 1972 |
| Bryan (Robb), Peers, Fulham | June 26, 27 & 28, 1972 |
| Crescent Valley (Hinton), A.H. Dakin (Edson) | June 27, 28 & 29, 1972 |

All children born on or before December 31st, 1966 are required to attend pre-registration school for the two or three day program. Children born during the months of January or February 1967 may attend, however, these children will be admitted to school in September only if they are found to be at an acceptable level of maturity.

During the two or three days, the children will become acquainted with school life, will be carefully observed and helped by teachers, and will be given a test to determine their readiness for Grade 1 work.

Following the pre-registration school a report will be sent to parents. This report will indicate whether or not the child was found to be at an acceptable level of maturity to begin school.

Please use the registration form below and forward to the school at which children from your area are attending. This form should be at the school by June 5, 1972. Additional forms are available at the elementary school and at the Yellowhead School Division office.

It is essential that your child's birth certificate be presented to the principal on the first day of registration. If you do not possess such a certificate you should obtain one immediately from the following, enclosing two dollars ($2.00) for same:

Bureau of Vital Statistics
Alberta - Jasper Building

# Communication Seminar Held at Edson School

Those people from the Evansburg School who attended the Communication Seminar in Edson on the weekend of June 2 and 3 were Lloyd and Linda Keddie, Rae Weist, Doreen Beauchamp, Jennifer Dashwood, and Verna Nikoloyuk.

The purpose of the seminar was to discuss problems of communication within communities, between adults and teen-agers, between parents and children, and between people in general; and to discover ways of improving communication in all areas.

Representatives from Entwistle, Evansburg, Wildwood, Niton, Peers, Fulham, Rosevear, Edson, Marlboro, and Hinton were present and all enjoyed a worthwhile weekend of learning and communication. Another seminar will be planned for the fall and it is hoped that many more people will be in attendance.

Rae Weist received the Graduate Diploma in Counselling May 31 from the University of Alberta which culminates five years of university training.

The Evansburg High School presented awards to a number of students at the Awards Night June 6. See separate story.

# IN MEMORIAM

LOUGHEED - For Ron Loughеed who passed away June 19, 1970.
To have, to love, and then to part,
Is the greatest sorrow of one's heart,
As time goes by the memory stays,
As near and dear as yesterday.
Unseen, unheard, you are always near,
So loved, so missed, so very dear,
Always loved and sadly missed by your loving wife Joyce, and your children Darrell, Deborah, Dianne and Danny. jl4c

MOROZ - In loving memory of our dear husband and father, John Moroz, who passed away June 13, 1970.

Often do we wander, to the grave not far away,
Where we laid our dear Dad just two years ago today.
The shock that we received that day, no one can ever tell.
It's a lonely life without you Dad,and sad has been the way.
A dear heart had ceased to beat,
And suddenly you were gone.
You gave no one a last farewell, you said goodbye to none,
It was a sudden ending, too sudden to forget.
For the ones who loved you dearly, are the ones who will never forget.
Ever remembered and sadely missed by your loving wife, Katherine, children and grandchildren.

# PUBLIC NOTICE
## WATER RESOURCES ACT

Notice is hereby given that Ashland Oil Canada Limited has filed an application and plans under provisions of The Water Resources Act to construct the necessary works to increase the capacity of their reservoir on Little Strawberry Creek in the SW 20-48-3-5 from 900 acre-feet to 1500 acre-feet and to augment this supply by a diversion of 500 acre-feet of water per year from Modeste Creek in the SE 34-47-4-5 with no diversion to take place when the flow in Modeste Creek is 2 cfs or less, thus increasing the present allocation of 720 to a total of 1220 acre-feet of water per year to be diverted from the reservoir for injection purposes.

Any person having a bona fide interest in the matter may file objections with the Director of Water Resources, Department of the Environment, Milner Building, Edmonton on or before the 14 day of July, 1972.
